Transfer Funds Between Your Existing FXCM Accounts

I understand and accept that by signing below, I have requested for funds to be transferred out of my FXCM account and into another FXCM account in accordance with FXCM's compliance and administrative procedures. Available margin must exist in order for funds to be transferred, as removal of funds may result in a margin call. I shall hold FXCM harmless of any and all claims regarding such funds transfer upon proper credit to the below named FXCM account.

Transfer Funds To Create A New Account

All new accounts are created with an account profile identical to that of your existing account (including, but not limited to, No Dealing Desk, address, referring broker, and margin setting). All requests to modify account profiles must be submitted to FXCM separately for each account. For the avoidance of doubt, your modification of one account profile will not constitute a modification of your other account profile. However, the margin requirement on any account may be changed at any time in FXCM's sole discretion, in accordance with your FXCM Client Agreement. For information on default margin levels, please visit <http://www.fxcm.com/margin-and-rollover.jsp>.
